Washington Wheelchair Sports Jamboree

The Washington Wheelchair Sports Jamboree is geared towards individuals who have the ability to follow a sequence of instructions and have adequate upper body control to maneuver a manual wheelchair.

Please Note: This is “NOT” Special Olympics, which is for the developmentally disabled athlete.

The clinics are an introduction/opportunity for individuals, parents, therapists, teachers, recreation professionals and interested others to learn about competitions in wheelchair sports, as well as equipment. Information on Regional, National, and International Competitions will be available for individuals interested in Sanctioned Competitive Sports or just Recreation. It will also offer information on how a participant could train on their own in the community or school and work towards a sports scholarship to a University.
